

APPEARA®

THE TEXTILE RENTAL COMPANY

RENTAL CATALOG

UNIFORMS • MATS • FACILITY SERVICES

The origin of [APPEARA](#)'s parent company, Dudley Laundry, dates back to 1916 when George M. Dudley started a family laundry business. Dudley Laundry had its humble beginnings in a frame building with a handful of hard working Norfolk residents. The original building sat on land that had been used as a transfer station. Darrel Dudley, George's son, worked in his father's laundry after school and during his summer vacations and was part of the growth of northeast Nebraska's most up-to-date cleaning establishments, Dudley's Dry Cleaners & Launderers.

[APPEARA](#), formerly known as Servall Towel & Uniform, had its origins in 1936 when Darrel Dudley recognized a need for linen supply in the food service industry. The textile rental business has changed tremendously over the years and [APPEARA](#) has evolved to meet those needs. Today, in addition to its linen supply business, the company rents and services over 500 products, including linen products to the hospitality market, uniforms to the industrial market, dust control services and business apparel to all types of commercial businesses.

[APPEARA](#) remains an independently owned business headed by Bob Dudley, its fourth generation president. [APPEARA](#) is able to offer competitive pricing through the purchasing power of Central States Network. Central States is an alliance of more than 150 independent laundries from across the nation that are able to get the best pricing available through their cooperative purchasing.

The
APPEARA[®]
Uniform Rental Program

How it works: Once you pick out your Uniforms we can add Personalized Company Logo and Employee Name emblems. Then each employee will be issued 11 sets of uniforms. Why 11 garments? Once a week, our dedicated Customer Service Representative will schedule a time to drop off 5 sets of clean uniforms and pick up 5 sets of dirty uniforms. This will leave 1 set for your employee to wear the day of delivery.

ICON GUIDE	

	NO BUTTONS	This garment is buttonless in accordance with food processing and healthcare regulations.
	DURABLE PRESS	Minimum pressing or ironing required. Fabric contains a wrinkle resistant finish.
	TOUCHTEX TECHNOLOGY	Superior color retention, soil release and wickability.
	YARN DYED STRIPES	Yarns are dyed then woven into striped configuration.
	HYDROPHILIC MOISTURE MANAGEMENT SYSTEM	Highly technical term meaning moisture wicking. Wicks perspiration away from your skin and spreads it over the fabric face where it quickly evaporates, allowing the wearer to stay cool, dry and comfortable.
	HI-VISIBILITY CLASS 2 LEVEL 2	Intended for use in activities where greater visibility is necessary during inclement weather conditions or in work environments with risks that exceed those for Class 1. These garments also cover workers who perform tasks that divert their attention from approaching traffic or put them in close proximity to passing vehicles traveling at 25 mph or higher.
	UPF 40 RATING	Ultraviolet Protection Factor – Sun protective clothing specifically designed for sun protection. UPF measures both UVA and UVB rays.
	NO-SCRATCH GARMENT	Paint jobs stay scratch free thanks to strategically designed garment features that keep buttons and snaps under wraps.
	TRUBLACK	Our 65% polyester/35% cotton black fabric resists fading wash after wash.
	TOUCHTEX PRO	Same Features as Touchtex but with an even softer hand. Available on bottoms only.
	NO ROLL WAISTBAND	This garment has enhanced engineering to withstand Industrial Laundry stress and abrasion on the waistband. The waistband has a mesh inner lining inside to reduce breakdown in fabric fibers, not allowing the waistband to fold down giving the pant a permanent crease through the laundry.
	CLASSIC FIT	

INDUSTRIAL WORK SHIRT

Let your true colors show. With a wide range of colors to choose from and Touchtex™ technology with soil release, wickable finish and color retention, this shirt keeps you looking clean, no matter how dirty the job. A left pocket pencil stall keeps you organized and ready for action.

HOSPITALITY & INDUSTRIAL LINEN

Table Linens and Napkins

Functionality and sophistication are brought together in [APPEARA](#)'s selection of table linens and napkins for restaurants, country clubs, event centers, and other facilities.

Our crisp, white table linens in assorted sizes meet the needs of any dining room – large or cozy. Napkins – available in several different colors – are delivered to you pressed, and protectively wrapped.

Aprons

Protect your workers' clothing and bodies from splashes, stains and damages from the job with our quality line of aprons. Suited for your specific type of business or work environment, we will serve your needs with functionality, comfort and ease of use. Designed to hold up to the rigors of the workplace, [APPEARA](#) aprons will be cleaned, neatly pressed and delivered right to your door.

Towels

[APPEARA](#) offers a wide variety of towels for almost any purpose or setting. Our line includes kitchen, shop, restroom, and even surgical towels. Whether they are for hand drying, cooking, cleaning or other purposes, we can deliver the right product at an affordable cost.

A broad array of sizes and fabric types help us suit your needs perfectly. [APPEARA](#) even carries specific products like continuous roll (CT), single service, and microfiber towels.

Shop Towels and Fender Covers

Our shop towel service is an economical way in which to keep the grease and grime off your hands and tools. An environmentally friendly towel service as each is used time and again as a recyclable cleaning towel.

[APPEARA](#)'s fender covers offer a worry free safe way to protect a vehicle's paint and finish from scuffs or scratches as the vehicle is being maintained or repaired.

FLOOR CARE

Comfort Flow Mats

Comfort Flow is a flow-through mat with excellent anti-fatigue properties designed for wet areas where grease, oil, and chemicals may be present.

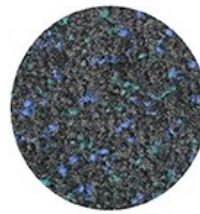

Scraper Mats

Scraper Mats feature a multi-directional molded tread pattern that effectively scrapes tough dirt and grime from shoes. The unique drainable borders help filter water off the mat, making it ideal for use outside as a scraper mat or as a slip-resistant mat in wet areas.

Entry Way Mats

Classic Solutions Plus mats feature a slip-resistant rubber backing and a solution-dyed carpet surface designed to stop dust, dirt, and moisture at your door and provide a safe walking surface.
